FILING RECEIPT CORRECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
U.S.A.

Sir:

The official filing receipt includes errors as follows:

1. The inventor's city of residence is Kanata - not Kanala.
2. There is an erroneous reference to the present application being a continuation-in-part of application serial No. 09/979,595, which is unrelated to the present application. As stated in Form PTO/SB/05, the present application is a continuation-in-part of application serial No. 09/978,595 only. The opening paragraph of the specification accompanying the present application described it as a divisional rather than a C-I-P. A preliminary amendment correcting that paragraph is being submitted as a separate document.

It is respectfully requested that a corrected filing receipt be issued.

Respectfully submitted

THOMAS ADAMS Reg. No. 31078
